

# Community Resources

## Illinois Department of Human Services – Division of Substance Use Prevention and Recovery (SUPR)

<https://www.dhs.state.il.us/OneNetLibrary/27897/documents/Brochures/4559.pdf>

This resource includes details about recognizing and responding to overdose, a link to the Drug Overdose Prevention Program, and information about the Helpline.

## Illinois Helpline for Opioids & Other Substances

[The Helpline](#) is a statewide, public resource for finding substance use treatment and recovery services in Illinois. The Helpline refers to hundreds of treatment and recovery providers across Illinois and does not operate any treatment programs. Helpline services are always free and confidential. The goal is to guide individuals to the treatment options that are best for them.

The Helpline website also offers a map of [Overdose Education and Naloxone Distribution](#) sites across the state.

## Southern Illinois (Southernmost 16 Counties)

1. Healthy Southern Illinois Delta Network – [Substance Misuse Resources](#)
2. [Substance Misuse Resource Guide](#)

Where to Find Substance Misuse Care and Support Services in or near Southern Illinois, including substance use disorder organizations, detox bed facilities, SUPR funded sites in southern Illinois, residential programs, outpatient programs, recovery support groups, and MAT providers.

## Central Illinois

[Unitypoint Health UnityPlace](#) provides a variety of behavioral health care in Central Illinois. UnityPlace is a grantee for the Drug Overdose Prevention Program, covering 14 counties in Central Illinois. The grant provides free opioid education, resources and support, and free nasal Narcan training and distribution.

## DuPage County

The [HOPE DuPage](#) website offers a variety of resources for DuPage County residents, including free Narcan kits, opioid education and naloxone training in English and Spanish, and treatment and recovery resources.
