

## Welcome to HOPE

DuPage County, like many communities across the United States, is facing an opioid epidemic that has cut short the lives of too many of our residents. The HOPE Taskforce was created to bring together partners from across DuPage to find ways to end this crisis.

## Visit [hopedupage.org](https://hopedupage.org) for information about:

- The HOPE Taskforce, including current projects and upcoming meetings.
- Resources for community members, parents and professionals.
